DELEGATION TO CONSIDER COUNTY LEGISLATIVE PACKAGE TOMORROW

FREDERICK, MD – The [Frederick County Delegation](#) will hold its first meeting of the 2012 General Assembly session tomorrow morning and is scheduled to begin consideration of [legislative requests](#) approved by the Frederick Board of County Commissioners. Delegation members will meet in room 406 (Western Maryland Delegation Room) of the House Office Building, located at 6 Bladen Street, Annapolis, Md.

Board President Blaine Young, who will attend the meeting on behalf of the board and answer any questions that may arise, said, “We are starting the session with a good relationship with our delegation and we know they are listening to the issues we raise on behalf of the citizens of Frederick County. We look forward to their review of our legislative requests and to working with them on many challenging issues that will arise this session.”

Because Frederick County is under the commissioner form of government, legislative proposals must first be presented to and approved by a majority of elected state officials from Frederick County before they can be considered in the [General Assembly](#).

The Frederick County Government legislative affairs webpage provides a one-stop location for information on the legislative session and calendar, bill tracking, delegation contacts, the Maryland General Assembly, county proposals and many other issues.
